July 2024

Community events attended and next month's events in surgery

We are still receiving reports of Nuisance vehicles throughout the area as the Summer continues. Please continue to report any nuisance behaviours whether this is vehicle or person related and any areas of interest to Kent Police. This allows us to continue targeted patrols of key areas on the most targeted days and times.

Recently we have received further reports of fraud in and around West Kingsdown and Fawkham. Residents have reported persons impersonating bank providers and been asked to send cash in the post to scam addresses. We continue to ask residents to report this to the police and ensure to keep up to date with ways to deter fraudulent behaviour. This is often easier for those with access to internet and being aware of fraud. It is important to remind those who may be more vulnerable and susceptible to becoming victim of fraud. Advice of how to deter fraudulent activity - [Personal fraud and how to prevent it | Kent Police](#).

Throughout the Sevenoaks district we are still seeing the odd report of burglary including in Sevenoaks. Whilst out and about I have been providing prevention advice and how to keep houses and businesses safer to deter criminal behaviour. Please read over the following link and ensure you're aware of all of the tips listed and make sure to share with friends/family/neighbours that may not have access to relevant safeguarding advice [Kent Against Burglary | Kent Police](#).

July 2024

The Kent Police and Essex Police CCTV Registry has launched this week(Monday 29 July 2024).

- The joint registry is a secure platform integrated within the [Digital Asset Management System \(DAMS\)](#) which will allow officers and staff to access the location and contact information of registered CCTV, doorbell and other cameras via an interactive map.
- Members of the public, businesses and local councils can register the details of their cameras using the public facing Connect Kent and Essex website (cctvregistrykentandessex.co.uk).
- The Registry will help reduce the time it takes to obtain digital evidence from members of the public and businesses and will play an important part in helping to identify suspects and key witnesses. Together, these improvements will result in earlier investigative outcomes.

Upcoming Events
